

HOT LUNCH PROGRAM 2017-2018

The hot lunch program at Dr. Clark is ready to go! There are a few changes in our menu selections and we think you'll be just as excited as we are! Dr. Clark uses an online order system that requires a small amount of time to set up, as you must register each child attending Dr Clark. Once your initial set up is complete, your hot lunch ordering process should be quick and simple for the remainder of the school year. Please note that the hot lunch program is not available to students in ECDP.

Here's how to get started...

- Go to **drclark.hotlunches.net**
- Click on "Click here to register"
- Enter access code **clark2017**
- Complete the rest of the registration form. Remember to include your email address for reminders regarding deadlines and what you've ordered for the coming week
- You still need to register even if you've registered and used this system with us before. Each school year starts new!
- Click the "**Register Now**" button at the bottom of the page
- Follow the instructions to add each child in your family that attends Dr Clark
- Once your child(ren) are registered, click on "**Orders**"
- You may now place your orders

PayPal - We only accept hot lunch order payments through PayPal (www.paypal.com). There will be a 3.0% transaction fee on each order made. This will help to offset our costs of using PayPal for it's service. You will see this on your total.

No cheques or credit cards will be accepted by Dr Clark Fundraising Committee at any time. Please keep in mind though, that you can adjust your personal PayPal account to accept credit cards or as a PayPal guest. ***Please Note: Should you experience any issues with your PayPal account, you must contact them directly to resolve.

Please see the attached schedules for ordering and menu details. It is **very important** to note that custom orders can not be accomodated due to the volume of orders placed. Read the item descriptions carefully, and consider any dietary restrictions, allergies or dislikes your child may have and take them into account when placing your order. We have included a new variety of restaurants to try and offer something for everyone, while still keeping it healthy.
